

NEWS LETTER
FIRST TERM 2016/2017 SESSION
RABERTO SECONDARY SECTION

We are excited to announce to our amiable and esteemed parents that we have successfully come to the end of the first term of 2016/2017 academic session.

Indeed the term was a long one, intense and filled with lots of activities but we are happy that it was hitch free.

ACADEMIC PROGRAMME

The academic programme for the term was very successful as we were able to execute the teaching and learning of the ten weeks topic planned in the scheme for the term.

In the course of the term we had to introduce mathematics clinic after the midterm test, as the result of the midterm test indicated that some new students in J.S one and two were not finding their feet at all.

The class was scheduled for every Friday at 12.30pm when we have closed for the academic day. Parents supported the idea and ensured their wards participated in the class.

END OF TERM EXAMINATION

The exam was a huge success.

The S.S 3 students had their first Mock examinations for SSCE this term. It was strictly WAEC standards in all subject areas. Examination practicals was conducted for all subject areas with such need.

We plan to publish such results so that parents can see their children's readiness as we count down to the SSCE in proper.

Also we organized two JAMB Mock test after the exams ended. We hope to sustain it until the real UTME examination is taken.

SENIOR SCHOOL CERTIFICATE EXAMINATION (SSCE)

The school has commenced registration for the 2017 WAEC registration for her candidates.

ENGLISH ESSAY COMPETITION

The Lead British International School organized an essay competition for 20 schools in the metropolis on the topic: Nigeria at 56: Way out in this recessional time.

The students wrote the essay at the venue of the program. Our students emerged as the second best out of the 20 schools. The essay is also published on this educational website. (teacherlola.com)

YOUNG FARMERS CLUB

The young farmers club marked this year's world food day with an assembly presentation on Food for All.

The young farmers embarked on Poultry project where they are raised about 50 birds in the school. They harvested and sold their birds with a Christmas bazaar sale.

SPORTS

DREAM SPORTS AFRICA

The Dream Sports Africa is a non governmental agency that the school has indicated interest to partner with beginning from 2017. Their focus is on Sports and Life Skill. Their inauguration was done in our school premises.

In attendance were some house of representatives members, a Director with co-curricular Department of Secondary Education Board, a representative of Minister for Sports and Youth Development, NBA President, media men etc.

ABUJA ELITE BASKET BALL TOURNAMENT

The school registered her students for the Abuja Elite Basketball Tournament holding at the indoor sports complex of the National Stadium. The first group matches have been played on 5th Nov, and our team (both female and male won one game and lost one.

The finals will be played this weekend on the 19th and 20th November, 2016.

END OF TERM EVENT

The School was able to execute all the planned programme to mark the end of the term and year. These include;

Fellowship of Christian Students (F.C.S)

F.C.S organized a love feast to mark the end of the year for its members. It was very beautiful event and well attended by its members.

Christmas Carol

The Christmas Carol programme was another soul lifting programme as everyone present sang to the glory of God.

FunFair

The Fun Fair was the climax of the other entire event as Parents, Students and Staff in attendance all had fun. It was a huge success. The few complaints we got was on the late arrival of food and one of the inflatable's that developed fault in the course of the event.

OTHER ACTIVITIES

The Power Forward marked this year's World AIDs day with community awareness in and around the school.

They also organised end Line activities for the Cohorts and other indirect participants

GLOBAL HAND WASH

The Global Hand wash was marked in the school with an assembly presentation on hand wash: Importance, How, Consequences etc on the 15th October, it was for both primary and secondary school.

TREE PLANTING

The group also embarked on tree planting exercise in the school to ensure Eco friendly environment.
